Body Side Moulding

\$228.50*

Stray shopping carts take note. Sleek and amazingly durable, Lexus body-side moldings feature a high-quality body-color finish and are rigorously tested in extreme climates for impact and chip resistance. They're also designed to resist peeling in high-pressure washing and normal environmental exposure. By helping to protect the door from scratches, dents and chipping, this premium accessory helps retain the vehicle's resale value.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
